TIMING: The Champs Midwest Regional will be timed by Wisconsin Runner Timing Systems using the Race Result bib chip timing technology in conjunction with Finish Lynx **Ether Lynx Photo Finish** and **Identi Lynx Video** Cameras per USATF rules. The runner's race is finished when his/her torso breaks the plane of the finish line. Each runner will be issued a race bib with a disposable timing chip. The bib should be pinned to the **FRONT** of the competitor's outermost garment top. Please do not cut, crumple or fold any portion of the race number. We ask that runners do not cover their bib while crossing the timing mats (Do not stop your watch while crossing the mat).

HIGH SCHOOL GIRLS have the option of running the championship race or the high school girls race. You do not have to declare which race you are running. It is suggested that you do not run in the championship race unless you have run sub 22 minutes consistently this fall.

FRESHMAN/SOPHOMORE BOYS who have qualified for the championship race (sub 16:20) have the option of running in the championship race or the frosh/soph race. You do not have to declare which race you are running.

JUNIOR/SENIOR BOYS that have not achieved the standard of sub 16:20 to run in the championship race must run in the JR/SR race. JR/SR boys that have run better than 16:20, qualify to run in the CHAMPIONSHIP BOYS RACE. They may run the JR/SR race if they prefer. You do not have to declare which race you are running.

COACH FED YOUTH 3K CHAMPIONSHIPS: Runners in 8th grade and under can run in the Youth Championship 3K. Boys and girls team scoring is 5 runners (displacement). The 3K course is essentially the first 3k of the 5K course.

OPEN RACE: The Open Race is for runners not in high school with M&F Open (under 40) and Masters (40+) divisions.

Runners may only compete in one race! High school runners MAY NOT run in the CHAMPS XC OPEN RACE! You must run in the championship races to qualify for nationals.

UNIFORMS: High School athletes are competing in Champs XC as unattached individuals. It is recommended that high school athletes do not wear school issued uniforms (Some states have strict regulations regarding wearing team issued uniforms out of season). This is a USATF sanctioned event and clothing worn must conform to USATF regulations. Any normal running singlets, shorts, tights, bodysuits, warm-ups, buns, turtlenecks, t-shirt, hats, arm sleeves, etc. are legal. There are no jewelry restrictions. Watches are legal, however enabled pacing/communications watches are not allowed. Costumes are **NOT** legal! The maximum spike length allowed is 1/2" (3/8" & 1/2" ceramic spikes will be sold at the meet). Cartwheels, holding hands or any other activity that could distract, impede, or harm another runner could cause meet management to remove you from the course. Please refrain from this type of activity during your race.

PARKING: HWY JR adjacent to the starting line is reserved for officials, press and vehicles with handicapped parking passes. **UNAUTHORIZED PARKING ON THE ROADWAY ALONG HWY JR OR ON THE COURSE IS PROHIBITED AT ALL TIMES-VIOLATORS MAY BE TICKETED AND TOWED.** The Communication Arts parking lot, directly east of the course, will be the lot designated for Champs parking. Please enter the Sports and Activities Center (SAC) through the north entrance. Parking lots in Petrifying Springs Park are off limits to our group (Violators may be ticketed.) It is recommended that participants & spectators should come in on Highway E and then turn left onto HY JR to access the UW- Parkside lots.

COURSE: We will be running the Champs MW 5K, which was only run once in UW-Parkside history. The 2019 Foot Locker MW Championships were run on this course, with 2019 being one of the wettest falls in recent history. Despite 25 MPH winds, driving rain and plenty of mud, four ladies ran 17:34 or better. The 2019 MW girl's team dominated the national championships, placing 5 ladies in the top 10. Champs XCMW race director Peter Henkes feels that the MW19 race was the greatest high school girls race he has ever witnessed. We are eager to hold the first Champs MW Regional on this exciting course. We switched from the traditional course since there was a NCAA D2 Regional Championship held on the course the weekend prior to Champs XCMW meet management wanted to eliminate the portions of the course that potentially could have been damaged in that meet. The Coach Fed Youth 3K is basically the first three kilometers of the traditional UWP 5K course. The course is open to athletes from **8:00am until 4:15pm** Friday. The course will be open for warm-ups on Saturday from **8:00 – 9:30am**. Athletes may not warm-up on the actual course after 9:30am on Saturday. Please do not remove any banners, signs or snow fencing from the race site. **Pets are not allowed on the course Friday or Saturday.**

No alcohol or tobacco products are allowed on the cross country course. No dogs are allowed on the course Friday or Saturday. The use of drones, Frisbees and balls is prohibited. Bicycles and any other vehicles are not permitted on the course.

COMPETITOR TENTS: Competitors/coaches/parents/spectators may not erect personal tents on the UW-Parkside grounds or in the Petrifying Springs Park. No tarps are allowed on site.

WIRELESS COMMUNICATIONS: It is meet management's policy that no wireless communication devices except cell phones may be used at the meet site so as not to interfere with meet management, security or emergency communications.

UWP SPORTS & ACTIVITIES CENTER (SAC): Runners may warm-up on the indoor track Friday and Saturday. However, you may not return from outside to the track area with muddy shoes and other gear. **There are absolutely no warmups or team camps allowed in any other areas of the SAC.** Athletes may shower at the UW-Parkside Sports & Activities Center after their races. They must provide their own towels and locks. Meet management and UW-Parkside are not responsible for lost or stolen articles.

NO SPIKES MAY BE WORN IN THE SAC. No rinsing/cleaning of clothes or shoes is allowed inside the UW-P showers. Athletes who slide in the mud on purpose will be denied access to the SAC. Competitors or spectators may not wear muddy shoes in the SAC.

ATHLETIC TRAINERS: Athletic trainers will be on duty race day in the medical tent located south of the finish line.
